FREQUENTLY ASKED QUESTIONS

What is your maximum capacity?

- We have a maximum capacity for 80 guests during the ceremony and wedding breakfast, then a maximum of 100 guests for the evening reception.

Do you have a minimum guest number requirement?

- No! We can cater for weddings from 2-100 guests. Our packages are flexible and can be reduced/increased to suit your guest numbers.

Does the couple count in guest numbers?

- Yes

Are we the only wedding couple onsite?

- Yes! We only allow one wedding per day, no matter what the guest numbers are.

When do we finalise details?

- We just require 2 planning meetings, the first when there is 6 months to go, the second when there is 1 month to go before the big day. The 6 month meeting is to discuss room layouts, collect supplier details, timings for the day etc. Then the final details meeting is to collect in menu choices, final guest numbers and run through everything we have previously discussed to make sure all is correct.

When do we drop off wedding items?

- We request that any of your wedding items i.e. place cards, favours etc are brought the evening before the wedding. Our team are then happy to assist with putting these out on tables on the morning of the wedding.

How to book the Civil Ceremony?

- It is the responsibility of the couple to book in their ceremony whether that be in a church, with a celebrant or Registrar. For a civil ceremony, please contact Stockton Registrars on 01642 527720. We would recommend a ceremony time of 1 or 2pm to get the most out of the day, but the time is completely your choice!

How to play music during the Ceremony?

- We would recommend to have 1 song for the entrance, 2-3 songs for whilst you sign the register and 1 song for the exit. We have a music system available to use and your Toastmaster will play the songs for you, we just require them on a device that has an auxiliary port so we are able to plug your device into the music system.
